

## Moselle, Lahn and Rhine

5<sup>th</sup> – 20<sup>th</sup> September 2025

### *Relaxed touring along three scenic rivers*

*Taking in three of Germany's rivers, with short driving distances between stops, this tour is a relaxed affair in wonderful scenery; with many of the campsites being on the banks of the rivers.*

*We start on the river Moselle, at Bernkastel-Kaus, located in the valley of a picturesque wine growing region. This is the best time of year to be in this area, as taking place during our stay is the wine festival. The streets of Bernkastel-Kues come alive with market stalls, regional wine sellers, street entertainment, fireworks and the wine parade.*

*Our next stop is Cochem, another scenic part of the Moselle, where we have time to explore this attractive riverside town. It's then onto Koblenz and the point where the Moselle confluences with the Rhine. Koblenz centre is just across the river from our campsite. Following 3 stops on the Moselle, we switch rivers to the Lahn, where we spend time in medieval Limburg an der Lahn, our campsite again overlooks the river.*

*Our third river, the Rhine, we reach as we move south to Speyer. As well as being on the river, Speyer houses the 'Technik Museum' complex, a wonderful collection of all things linked to transport. Staying with the Rhine, we then travel to our final location at Rudesheim am Rhine, a beautiful town laying in the rivers gorge and renowned for its wonderful views. The narrow-cobbled lanes of the Old Town lined with wine taverns and gardens are certainly not to be missed and is where we have our 'Farewell Dinner'.*
