

Romania and Bulgaria

12th May – 13th June 2026

Undiscovered Countries, beautiful countryside and Dracula

Take a journey through two of Eastern Europe's least explored countries and see them before too many others discover their charms. This tour escorts you to the old & the new, the cities & the countryside and along the picturesque coastline of the Black Sea.

We visit Transylvania with its medieval towns, rolling hills and Dracula castles; central Romania homeland to Ceausescu's communist regime; Bucharest a thriving modern-day city and finish up by the beach on the Black Sea coast; and that's just Romania.

In Bulgaria see the home of its first kingdom and today its historic centre in Veliko Tarnovo; learn about how and where 70% of the world's Rose Oil production comes from; taste wines and brandy as we tour the country before finishing up in its most rural corner for a geographical wonder.

During 33 days of adventure, you will experience the real countries and throughout enjoy local cuisine with an above average amount of group meals included, certainly don't expect to be cooking much whilst on this tour.

Campsites in Romania and Bulgaria are basic and this tour will be best enjoyed by those with a sense for adventure and an open mind to camping facilities.

Ted and Susanna Brooking – Romania and Bulgaria 2024

'Two lovely and interesting countries that should be on your list to visit. Good itineraries researched by Nurcan and Kevin which included some history ancient & modern, fiction at 'Count Dracula's home', superb mountain

passes to drive with fabulous scenery, the chance to see Brown Bears in their natural environment as you drive, plus many more highlights. Well done GB Motorhome Tours.'

Carolyn and Nick Griffiths – Romania and Bulgaria 2024

'Romania and Bulgaria proved to be both surprising and fascinating. We enjoyed so many beautiful sights and experiences like the Transfagarasan and Shipka passes but also learnt so much more about the recent histories of two countries. Thank you Nurcan and Kevin for another exciting adventure, we're already looking forward to our next in 2025.'

This tour can be followed by the Journey Along the Danube tour that starts in Serbia 2 days and 200 miles from the finish of this tour, to extend your holiday by a further 19 nights whilst also returning you back towards the UK.
